

## 2021- 22 Lockers, IDs, & Yearbooks

CCRCE's online payment system, SchoolCash, is now up and running.

<https://ccrce.schoolcashonline.com/>

Parents/guardians and students can pay for lockers, IDs and yearbooks online by signing up for an account.

If you opt to purchase a single item (ie one locker), we are not able to give you the discount package at a later date if you decide you want an ID or yearbook. Packages are the best options as you will get a significant discount.

Families buying packages online are asked to purchase under one student's name and email the other name(s) to [mclaughlind@ccrce.ca](mailto:mclaughlind@ccrce.ca) .

Students who pay online for a locker should come to the office and select a locker section if they did not already fill out the purple locker form.

Students and parents/guardians may still purchase items in the main office using cash, debit or cheque.
