To the guidance Counsellors in the Colchester East-Hants School Board area:

Mar. 3, 2026 re the Grace Bethel Bursary for the school year 2026-2027.

This is to inform you that the Grace Bethel Bursary for graduating students who wish to enter careers in medical care, especially the field of nursing, is available this year. There are three bursaries available this year in the sum of $2000.00 each and they are intended to help with the expenses of the first year at university or other post- secondary school. We also encourage the students to plan to return to the Colchester-East Hants area to practice their craft.

Those graduating students wishing to take advantage of this gift must prepare a letter making our committee aware of their diligence in their academic pursuits as well as such extracurricular activities as sports, volunteer work, and or part time work, etc. We also require that two (2) personal reference letters accompany the application, along with a copy of conditional acceptance to a recognized institution. The award is presented at graduation. Application deadline is May 22, 2026.

The student's personnel contact information, i.e. mailing address, e-mail address, and telephone numbers—both home and cell must accompany the above-mentioned requirements. Students should address applications to Elva Haggarty, C R H Auxiliary

Grace Bethel Bursary Comm.

CEHHC

600 Abenaki Rd. Truro

B2N 5A1 or deliver

to the coffee shop at the hospital in Truro.

We ask you as counsellor to inform your student body of this award as soon as possible. If you have questions, please call me at 902-895-4760 or e-mail to elva.haggarty@ns.sympatico.ca. Many thanks for your support.
