Please find enclosed/attached an application for the IODE Nova Scotia Bursary. Again, this year we are offering a \$500.00 bursary. We wish we could offer more, like everyone else we are navigating through an unsettled economy.

This bursary is awarded to grade 12 graduate students in Nova Scotia who meets all the requirements of the application. **The application must be received by the April 3, 2026 deadline.**

Mailing instructions are on the application form.

The application form lists all supporting documents required in order for the student's application to be considered for our bursary.

IODE Nova Scotia is ok with your school uploading our application to your webpage. We ask that students use the **2026 application form**.

Sincerely,

Shelley Reycraft
